

Homeshare UK Network Members

All Homeshare Organisations listed here are members of the Homeshare UK network and work within our Good Practice Guide and Quality Assurance Framework.

Each Homeshare Organisation is unique so check out their websites and contact them directly to find out about how they deliver Homeshare and to discuss your requirements.

Organisations are listed here by region so check if you have a local Homeshare office in your area in the first instance, if not, there are organisations with national coverage that can respond to your enquiry at the end of this list.

If you have a general query about Homeshare, are interested in setting up a Homeshare service or joining our network, please contact the team at Homeshare UK
